

# We're looking for families interested in a cultural exchange!

We are presently conducting interviews with potential families for our Cultural Exchange Program. Our students come from every corner of the globe to participate in our English Programs. They range in age from 17 to 65 and are either college students or professionals. We honor all special requests for age, gender and professional background. If you are accepted into our program, you may host one of our students for any length of time you choose!
