## LANGUAGE EXCHANGE INTERNATIONAL

Language Exchange International provides a myriad of professional services to clients ranging from corporate executives to travelers. Founded in 1983, the school is nationally accredited and has eight locations throughout the United States. Whether it be learning a language, translating a document or interpreting for travel or conferences, LEI boasts an outstanding reputation for its fast, efficient and customized services.

Personalized courses in either small group or private settings can be arranged at any of our locations, at your place of business or home. LEI services many large corporations that invest in foreign language study by offering tuition reimbursement to their employees. Customized programs include field specific vocabulary unique to your business.

- Increase sales and productivity
- Advance more quickly in your field
- Gain the appreciation and respect of your overseas clients
- Set your own schedule and location for classes

Flexible scheduling, coupled with a variety of programs ranging from survival language to total fluency, has made LEI extremely popular in the corporate market.

## COURSES IN MORE THAN 30 FOREIGN LANGUAGES

At Language Exchange International, you can learn to communicate in more than thirty languages - from Arabic to Swahili. Thanks to our unique conversational approach, learning is quick and painless. We offer new hope to the person who has tried to master a foreign language and still cannot SPEAK it.

Learning is accomplished in much the same way that one acquires a mother tongue — by listening and repeating — not by translating and memorizing. Courses are available at all levels and are personalized to our clients' needs from the traveler to the corporate executive.

- Experienced teachers / native speakers
- Emphasis on communication rather than grammar
- Immediate application of the new language
- Lively pace
- Friendly atmosphere
- Books & cassettes for at-home practice
- Programs for busy executives
- Survival travel courses
- Bi-cultural training
- English for Speakers of Other Languages (ESOL)
- Preparation for the TOEFL Exam

## TRANSLATION AND INTERPRETING SERVICES

Today's international business climate makes clear global communication a necessity to remain competitive. Since 1983 Language Exchange International has been the link between Florida-based companies and their international operations. Professional translations and interpreting have been the key to the ability of many companies to successfully compete in both the local and international market.

- More than 50 languages
- Field specific translations
- Speed and accuracy
- Proof-reading
- All translations notarized and certified.
- National and international conference interpreting
- Telephone conference interpreting
- Voice-overs
- Stringent quality control process
- Technical and non-technical documents
- available on disk

Language Exchange International's vast experience and expertise allows it to deliver the professional results necessary to communicate with the world.
